“Somehow, when we pull onto your gravel drive, our dog seems to know where we are...”

That is right! – Dogs Like It Here! They will have great fun whether they are here for Boarding Only or Boarding Training. Dogs do not seem to have any understanding of time. So do not feel guilty leaving your family pet with us for a week or a month.

They will receive plenty of interaction with people and with other dogs. This is a great place to get socialization with dogs and people.

We will treat your dog just like it was one of our family; you can be sure of it. Please feel free to call us or e-mail us to see how your dog is doing during his stay at doggie camp.
